

2011 & 2012 Moose Hunting Seasons

Antler Restrictions

- Only moose with at least one antler longer than six inches may be taken in any season open for antlered moose only.
- Only moose without antlers or with antlers less than six inches long may be taken in any season which is open for antlerless moose only.

Mandatory Check and Report Requirements

Antlers must be presented at Idaho Fish and Game regional offices or official check point or to a conservation officer within 10 days of the date of the kill. Fish and Game headquarters office is not equipped to check in moose. In the Boise area, these animals can be checked at the IDFG Regional Office in Nampa (3101 S. Powerline Rd, 208-465-8465) between the hours of 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7099. Successful hunters must complete a big game mortality report, available at Fish and Game regional offices, from conservation officers, taxidermists

and meat processors within 10 days of the date of the kill. All hunters who have harvested either an antlered or antlerless moose must complete this report.

A hunter may authorize another person to comply with the above report requirements if that person complies with those requirements and possesses the necessary information to accurately complete the form.

Unsuccessful hunters must present or mail their unused tags to a Fish and Game office within 10 days after the close of the season for which the tag was valid. Cancelled tags will be returned to the hunter upon request. Failure to report may result in future ineligibility in moose drawings.

NOTE: Moose tags unfilled after the first drawing are available to any Idaho hunter during a second drawing. (See page 34). Hunters who have previously harvested a bull and/or a cow moose and not eligible for the first drawing **may apply** for and receive one of these tags in the second drawing or as a left-over tag if tags are still available.
